Mr. Hartsock:

This letter is in response to your letter of February 2, 2007 regarding the Post General Report for Green Mountain PAC.

Upon review, we discovered that a small number of contributions were left of the Pre-General Report. We have filed amended Pre-General, Post General and Year End Reports to reflect the changes in contributions.

This correction fixes the Column B and Line 8 errors noted in your letter.

If you have additional questions, please contact me.

Richard Cassidy
